

Coober Pedy
(Aboriginal term for White Fella in a Hole)
Story by Eddie and Michael Crismani
Written by Eddie Crismani
USA Artist Representation by Egon Dumler, Entertainment Attorney

Based on a true story

An honorable Italian P.O.W. is dogged by a psychotic Russian corporal from the snowfields of W.W.II Europe to the searing outback of Australia. An aboriginal boy on walkabout poignantly rekindles the human spirit of these "white fellas in a hole".

"I read thousands of scripts and believe me this is a great script! "...Great story, excellent writing style, strong characters with unbelievable visuals" "...Would love to have a part in this movie" - **Harve Presnell (Fargo, Face/Off, Saving Private Ryan, Bagger Vance).**

"A unique, mystical and powerfully visual tale driven by great characters " - **Rena Owen (Star Wars - Episode II, Once Were Warriors)**
